

To all GEA Lodges and Members:

The Georgia Elks Association has established a fund to aid Georgia Lodges and Members severely impacted by Hurricane Helene late last month.

The funds have been donated by Lodges, Membership, and the Georgia Elks Association for the purpose of providing Helene Impact Relief. We realize this recovery may be a long process for our Lodges and Members. The funds raised for Helene Impact Relief can be used to cover insurance deductibles, clean-up, repairs, or rebuilding, including materials and labor. Other uses will also be considered.

More information can be found [Disaster Relief Aid Instructions](#) next to this PDF.

Thank you,

Dan Tatum, President Georgia Elks Association

Cliff Arden, Chairman Georgia Elks Association Disaster Relief Committee
